Paradise Cabins & Spa

Thank you for an interest in having us manage your property(ies). As we stated before, we are very proud of our facilities and the high standard of services we provide all of our guests & cabin owners. It is truly a labor of love for us.

In order to make it easier for you, we have put together this packet as a reference. We have included an overview of our services, a copy of our management agreement, and a sample of the monthly statement we provide all cabin owners.

If there is anything you do not see in the packet or if you have any other questions, *absolutely*, do not hesitate to give us a call. We are here to make this process as easy as possible.

Paradise Cabins Resort & Spa currently offers several different cabins to choose from, all with various amenities and sizes. We would love to include your cabin into our expanding resort.

Paradise Cabins Resort & Spa caters to guests who want their getaway to be memorable. We offer several cabin amenity add-ons and activity packages for all-inclusive vacations. Packages vary depending on the time of year and availability.

Our facilities include a gathering lodge where we offer banquets and other events/workshops, a full service day spa, a team building challenge course with 300 foot zip line and future expansions to include a vineyard with tasting room & boutique winery.

These amenities are all available for use by all guests.

We look forward to developing a great working relationship with you and your family. Please do not hesitate to give us a call for any help or questions. We look forward to doing business with you.

Sincerely,
Robert and Ilke Lander
